

Christians Against Poverty

Christians Against Poverty encourage churches to help people in their communities by offering a practical poverty relief ministry.

Their ministries include:

Debt Centre, CAP Money, Job Club, Release Group and a *new* **Life Skills** ministry. Churches are running these throughout New Zealand to help people find freedom from unemployment, life-controlling habits and the burden of trying to survive on a low income. If you would like to find out more about CAP there are some helpful links below:
