Presbyterian Support Otago New CEO - Michael Parker

In April we farewelled Gillian Bremner who retired after 23 years as Chief Executive. Michael Parker joined us as Chief Executive in March and is no stranger to Presbyterian Support,

having led the Presbyterian Support South Canterbury region since 2003. Michael has worked alongside Gillian, and others in the region, on various initiatives over the years and has spent some time in the region. His focus in the first six months is on meeting everyone and building on the strong relationships that exist.

Michael's words:

"The organisation's culture is really strong and this gives me great confidence. I'm keen to become more aware of the wider community that we work for in Otago. I believe the services we deliver have to be relevant. The key thing is to move with what people need, not what we think they need."

Michael and his wife, Gillian, have moved to Mosgiel. Gillian has transferred her employment to Dunedin.

Today...Wayne and Helen's commissioning

From Kristin: This weekend Susan and I are away up in Otaki at Hanneke Lewthwaite's wedding and will be missing Helen and Wayne's commissioning today. We want to encourage all of us, as Wayne and Helen's church family, to get behind them in prayer and practical support as they make this big and courageous step of responding to God's call and relocating to Myanmar.

To Wayne and Helen – Susan and I add our prayers to everyone's at Leith this morning, asking God to equip you with even more courage, patience, protection and love as you begin this new and exciting venture. May God bless you as you go and bless others.

Welcome! It's great to have you with us this morning. If you are visiting today please help yourself to a WELCOME PACK from the back table. We'd love you to leave us a contact form so we can get back in touch. Hand this to Kristin or Nancy (our Pastors)
