

Leith Valley Fact File

Did you know...it is 10 years since Leith Valley Church began worshipping here in the George St Normal School Hall? Our first service here was on Sunday 17 August 2008. After a sustained period of growth and following several expansions on the site at 267 Malvern St, no more expansion was possible because of a lack of carparking. After much deliberation and consultation, the decision was made to move to George St, as the school had just finished refurbishing and enlarging their hall. And we've been here ever since!
