

Finance Report First Quarter 2019

Church offerings were 9% ahead of budget for the first quarter of 2019 and total expenses were 8% below, meaning we were able to do some much needed repair work: kitchen taps, toilets leaks, replacing missing light fittings, cleaning years of grime from the couches, etc at the Church (267 Malvern St) and, more importantly, employ our worship leader for 8 more hours a week. The Council and I are very grateful to those who responded with a lift in giving last year, this has enabled us to stop 'hunkering down' and to look forward and outwards again.

The majority of our congregation give via internet banking or automatic payment. If you would like assistance with setting this up, I am happy to help. Each person/couple/family has a donor number and tax receipts will be available in April. I organise this each year and am happy to help with any questions about this also.

Many thanks again for your continued practical generosity.
