

News from Tom

Hello everybody,
I'm having lot of fun getting things rolling with Student Soul as things speed toward Orientation and the beginning of Semester 1. (It's all fun and games until the first assignment deadline!)

We start Sunday night services next week on 23rd February. Believe it or not, we haven't committed to a venue yet, talk about running it to the wire! But we have a great option which is possible and looking positive, and whether it goes ahead or not will not be clear until the beginning of next week. We'll see, and will roll with it. In the meantime I'm directing everyone who is interested towards studentsoul.org.nz and [facebook.com/studentsoul](https://www.facebook.com/studentsoul) for updates on that.

For the first week of Student Soul, we are planning pizza and live music, followed by a worship service with the title "Inside-Out Freedom," the beginning of a seven-week series in 1 Corinthians. It's gonna be good.

When it gets down to it, our purpose is exploring what true freedom looks like and how we can embrace a life of freedom together, following the way, truth and life of Jesus.

To any students reading this, we'd love to welcome you to be a part of this Student Soul community – come check it out next Sunday 23rd.
