

Opportunities to help

Have you ever been to a camp out at Tirohanga, a family camp or an Easter Camp and had a heap of fun?

Well now there's a chance to give back and keep the facility in tip-top shape for present and future generations!

Tirohanga Campsite needs help with

maintenance, in particular with painting interiors of buildings.

The committee along with the camp managers, plan to tackle the kitchen which has not been repainted since it was built about 25 years ago.

The Campsite Committee has suggested that different churches could take responsibility for particular rooms or buildings, to be done prior to October when the main camping season starts up. All paint and equipment would be supplied.

CAN YOU HELP?

If you'd like to be part of a Leith Valley team who could paint the interior of one of the buildings, please contact the church office admin@leithvalley.org.nz or Richard rickdaws1@gmail.com Thank you!

ZOOMING THE SERVICE

Even though we are back now face to face we are recording the service so that it can be available on zoom for anyone unable to come on Sunday. The links are the same each week but will be sent out by email on Fridays.

For those taking part in the service, you will only be audible if you are speaking directly into a microphone, and only people at the lectern, or in a music band, will be visible on screen.
