The Dunedin Care and Craft Group

The Care and Craft group in Dunedin is run
 for the elderly and people with disabilities,
 providing craft activities, board games,
 social contact as well as morning tea and
 lunch for around 20 people once a week
 on a **Thursday between 10.30 and 2pm**
 (every week except school holidays)
 It is such a worthwhile programme they
 are offering and some of the more
 vulnerable members of your community
 benefit greatly from it.

**Recently the number of volunteers has
 dropped as they have had to turn their
 focus to their family and their own poor
 health and there is a need for new
 volunteers to join the team. All they
 need is a kind heart and a willingness to
 lend a hand, no knowledge, experience
 or particular skills are required.**

If it sounds like something you would be
 interested in then contact
Peg Makinson - 466 7407.
 She would love to hear from you and
 would be happy to answer any questions.
